### **Statement of Facts:**

During a campaign in Fort Walton Beach for City Council Larry Patrick ran as a candidate. There were many who knew that this person did not live in the city limits and had not for many years. Although he does have property he owns in the city limits that he had once lived in. During a campaign forum he mentioned that he was going to sell his home where he lived in part time and was going to move back into Fort Walton Beach home full time in the near future.

Many citizens and other candidates running for office knew he did not live in the city even part time and tried to get this rectified with the Supervisor of Elections Paul Lux. He was made aware of this but was unable to do anything as he said, "I don't have any proof that he isn't living in the city limits and can't do anything about this". There was a non-resident who had obtained information about this but once again, Paul Lux said "it had to come from a city resident" as someone that just owned a business didn't have any standing or say. All those that knew the truth were less than thrilled about this, knowing that he was lying about his residency and felt helpless and frustrated. So the election continued and due to some negative campaigning by this person – he won. (yes beside the point) The residents and candidates that knew all this were hoping that justice would prevail at the polls but it did not.

So a group of people that want truth to prevail, hired a private investigator after several months of getting nowhere with local authorities/elected officials to obtain some proof one way or another from a non-biased entity. After obtaining the report from the PI, it was of his opinion that he did not live in the city limits but in fact – at the home in Niceville he moved into once he left his residence in Fort Walton Beach.

One of the reasons that Paul Lux said he had to believe Larry Patrick was that his "Homestead" property was still in Fort Walton Beach. This is another problem – he has falsified the homestead property for many, many years. More to come on this in the exhibits that are attached.

As a City Council Member – you are held to a higher standard, and this is not a higher standard. If this person lies as to where he lives, what will he lie or deceive the city and its residents. We are very concerned as to his actions prior to the election and post-election.

So here is the background as to why we are filing these papers with all the entities as there is fraud and deceit behind all the paperwork starting with the filing package. Evidence/facts is attached.

Exhibit 1 Campaign Statement of Financial Interest

\*Page 1 Part C – Hiding the fact that he has two homes – neither home that he owns is listed in this section or any place else in his filing package. Not disclosed – Why? Only his commercial properties that he owns is listed.

Exhibit 2 Affidavit of Residency

\*Based on all the information that we knew and or have affidavits on – this is a perjury on this statement.

Exhibit 3 Google Search of Larry Patrick

\*When searching "Larry Patrick" the search shows his address is 9009 Rushing River Way Niceville, FL.

Exhibit 4 Affidavit from Larry Patrick's brother Thomas Patrick – non-city resident!

\*Affirming what many knew as true giving details about his brothers' residences from 2007

Exhibit 5 Affidavit from Mike Holmes – City Resident

\*Affirming what he has observed over the years

Exhibit 6 Okaloosa County Property Appraisers Tax Information on Homestead

\*Page 1 - As per the State of Florida a Homestead Property is your primary residence and Homestead can only be used in or on a residence you live in. This document shows that "Homestead" has been on that property as far back as the records would show, back to 2011. But many people knew this to be false. This is a small community, and many are still wondering how he pulled this off with living in Niceville. This has been brought to the Property Appraisers Office 2 times and somehow managed to convince that office that he was living there. Hearsay – showed utility bills with his name on it based on what the Tax Collector said as well as the Supervisor of Elections.

\*Page 2 – As of June 26<sup>th</sup>, 2023 or shortly before this date – Homestead has been removed from the 221 Yacht Club Dr Fort Walton Beach. Why would a person that lived there remove "Homestead" if you live there? Have not been able to obtain information on how that came to be.

## Statement of Affirmation

"I Thomas R Patrick being duly sworn, do hereby state under oath and under penalty of perjury that the following facts are true".

My younger brother Larry Patrick and his wife Cheryle Patrick (CEM) purchased a newly constructed residence in Niceville Florida in 2007 and soon thereafter vacated their residence at 221 Yacht Club Dr Fort Walton Beach, FL. Whereas their original stated purpose for buying the Niceville home was for it to serve as a temporary residence during the construction of a home on their Fort Walton Beach property in accordance with custom, already completed architectural plans, there has been no such construction ever started. However, and by contrast, construction was started to convert a large attic space in the Niceville home into additional living space. Following relocation to their new home in Niceville, Larry and CEM have not lived at 221 Yacht Club Dr Fort Walton Beach FL (unless such a relocation is very recent and for purposes unknown to me). Since 2007, the Fort Walton Beach residence has been used for various purposes other than as a primary residence, having been either vacant and used for storage purposes, or having been occupied by one or more adult family members of Larry and CEM or by one or more of their employees.

## Statement of Affirmation

"I Michael R Holmes being duly sworn, do hereby state under oath and under penalty of perjury that the following facts are true".

For the last several months I have driven by 221 Yacht Club Dr Fort Walton Beach every day (early in the morning & late evening) every day. I have not seen his personal red Jeep or his wife's SUV at the 221 Yacht Club Dr Fort Walton Beach. On several different occasions later in the day, I have seen his personal vehicle there. But a blue Dodge pickup that is parked on the property was gone. It is there 90% of the time. It does not appear that anyone is living there. I talked to several neighbors that have stated that Mr. Patrick does not live at 221 Yacht Club Dr will not get involved (Pastor Dave Malheiro, Matt Turpin & Bob Campbell). I do not believe that he lives there now or has for a long time. I have resided in the neighborhood since 1998.

# BLUEWATER INVESTIGATIONS

---

## INVESTIGATION REPORT ON SUBJECT LARRY B PATRICK

On June 07, 2023, [REDACTED] contacted the offices of Bluewater Investigations to request an investigation be conducted on his behalf. The purpose of the investigation was to determine the home address Larry B Patrick, herein known as "Subject" was residing.

On June 29, 2023, at approximately 5:30pm investigator arrived at 9009 Rushing River Way, Niceville, Florida. Upon arrival a maroon Jeep Cherokee was located parked in the driveway. Several minutes later a white female and a white dog were seen in the driveway of the home. The female walked to retrieve the fame, followed by what appeared to be pulling a few weeds in the yard. A search of Subjects social media showed multiple photos of this same woman, and what appears to be the same white dog. The investigator departed this area to check on another address provided to our office. The Subject has been known to visit located at 221 Yacht Club Drive, Fort Walton Beach, FL. Upon arrival the investigator noted a black truck at this address, but no indication anyone was home as there was no movement seen. The investigator returned to Subjects in Niceville. At approximately 8:28pm a red Jeep Wrangler matching the description and tag number as that of the Subject was seen pulling into the neighborhood. The vehicle was monitored pulling into the Subjects home address. An adult male matching the description the Subject exited the vehicle and walking in the front door. The investigation was maintained into the late evening however lights were going out in the home with no further movement. It was determined Subject would be spending the night at this home.
